

**Lexington Public Schools
Windy Acres
Operating Council Minutes
01-07-08**

Attending: Katy, Julie, Jennifer, Heather, Sheri, Linda, (absent: Alvin)

Call to Order:

The meeting was called to order by Katy.

Approval of Minutes:

The minutes from 12/03 were approved.

Announcements/Teacher Reports.

Sheri reported the Merryman concert was excellent. Jump rope for Heart hopefully will be Feb. 1 as long as the Extension office approves the use of their building.

Linda stated that Roger Biehl gave permission for the school to use his shop or garage as the safety location as noted in the safety plan.

Jenny had no report.

Heather had no report.

Unfinished Business:

Heather's exit light battery works as does the basement, but Jenny's doesn't work yet (southeast inside).

Teachers discussed where their safety bag should be located. They also discussed taking the emergency bag as part of their routine in fire drills, etc. in order to help them build the skill of automatically grabbing the bag. They will begin to get the items together to put into the safety bags.

New Business:

There are some behavior issues with a few children that are especially evident during transition times. Linda is going to require her children to report to her and the line up prior to heading to a specials class to see if this helps reduce unwanted behaviors. On Friday morning, the Board of Education Facilities Committee will take a facilities tour to guide future building plans. Julie will be out of town and suggested that either Katy or Alvin, or possibly both may want to attend the meeting which will begin at 7:00 am in the central office BOE room.

Adjournment:

Meeting adjourned by Katy.

Next meeting 02/04/08 at 4:00PM.
