**Attending:**

**Call to Order**

The meeting was called to order by Katy

**Approval of Minutes**

The minutes from 10/1/07 were approved with a change from Santos to Sandoz. The sentence regarding Sheri's request for a t-shirt that has both logos from Windy Acres and Horseshoe Bend on the t-shirt was reworded.

**Announcements/Teacher Reports**

WA and HSB 4<sup>th</sup> and 5<sup>th</sup> grade students will attend a concert at the Merriman Center in December. On December 4<sup>th</sup>, WA students will participate in the downtown Christmas parade. Jenny indicated that her class was invited to attend an outdoor education day in Kearney in April sponsored by the game and parks commission. No other teacher reports were given.

**Unfinished Business**

Some of the items on the fire safety document were completed; however a few items are still left to be completed. First there is a hole that needs to be filled in the floor of Jenny's room and a hole in the floor of the copy room. Also, the exit light in Jenny's room and in Heather's room need batteries so they will automatically light up if the electricity goes out. The exterior painting was not completed and will not be on the list again until summer.

**New Business**

Even though the next meeting date (December 3<sup>rd</sup>) is a day when Lee Jenkins will provide after school math training, the Windy Acres Council meeting will meet on the regularly scheduled day. Linda will attend a staff development with Dr. Jenkins at the central office on Monday. The LtoJ vocabulary and math chart indicate that Windy Acres students are well ahead of the trajectory of learning that is expected to occur throughout the school year. The teachers from Windy Acres are working on creating a Safety/Emergency Plan that will be shared with the Operating Council when it is completed.

**Adjournment**

Julie adjourned the meeting
